

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, visit [anthem.com/ca/pge](http://anthem.com/ca/pge); see the *Summary of Benefits Handbook* at [spd.mypgebenefits.com](http://spd.mypgebenefits.com); or call 1-800-964-0530. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider or other underlined terms, see the Glossary. You can view the Glossary at [healthcare.gov/sbc-glossary](http://healthcare.gov/sbc-glossary) or call 1-800-964-0530 to request a copy.

Important Questions	Answers	Why This Matters:
<b>What is the overall deductible?</b>	For <u>in-network providers</u> <b>\$120</b> person / <b>\$240</b> two people / <b>\$320</b> three or more people For <u>out-of-network providers</u> <b>\$240</b> person / <b>\$480</b> two people / <b>\$680</b> three or more people	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
<b>Are there services covered before you meet your deductible?</b>	Yes.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. <u>Copayments</u> do not count toward your <u>deductible</u> .
<b>Are there other deductibles for specific services?</b>	No.	You don't have to meet <u>deductibles</u> for specific services, but see the Common Medical Events chart below for other costs for services this <u>plan</u> covers.
<b>What is the out-of-pocket limit for this plan?</b>	<b>Anthem medical limit</b> for <u>in-network providers</u> <b>\$750</b> person / <b>\$1,500</b> two or more people For <u>out-of-network providers</u> <b>\$1,000</b> person / <b>\$2,000</b> family <b>Separate Express Scripts prescription drug limit</b> of <b>\$500</b> person / <b>\$1,000</b> two or more people	The medical and prescription drug <u>out-of-pocket limits</u> are the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall medical and prescription drug family <u>out-of-pocket limits</u> have been met.
<b>What is not included in the out-of-pocket limit?</b>	<u>Copayments</u> for certain services, <u>premiums</u> , <u>balance-billing</u> charges, penalties for non-compliance, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
<b>Will you pay less if you use an in-network provider?</b>	Yes. See the Common Medical Events chart below for costs, and visit <a href="http://anthem.com/ca/pge">anthem.com/ca/pge</a> or call 1-800-964-0530 for a list of <u>in-network providers</u> .	This <u>plan</u> uses a provider <u>network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay more if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>in-network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
<b>Do you need a referral to see a specialist?</b>	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.

About these Coverage Examples:

**This is not a cost estimator.** Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only (single) coverage.
