

PG&E Visitor Breast Pump Waiver and Release of Liability Form

PG&E provides a breast pump located in each of its designated Mothers Rooms to assist breastfeeding mothers who are not employed by PG&E (“visitors”) with milk expression during PG&E Company work hours. This multi-user hospital-grade Ameda Elite or Medela Symphony pump can be used by more than one mother and it is the visitor’s responsibility to bring the visitor’s own [pump attachment parts](#). Visitors who use this breast pump must complete this waiver form and submit it to Wellness@pge.com prior to use.

1. Visitor Name (print first and last)	2. Visitor Cell Phone # (optional)
3. Visitor Company:	4. PG&E Employee Contact Phone # :
5. PG&E Employee Contact Name (print first and last)	6. PG&E Employee Contact LANID
7. List primary locations of Mothers Rooms you plan to use:	

WAIVER AND RELEASE OF LIABILITY

I, _____ (hereinafter “Releasor”), the undersigned, with the intent of binding myself, my spouse, my heirs, legal representatives and assigns, execute this Release as my own free act and deed.

Releasor, being of lawful age, in consideration of being permitted to utilize the breast pump (hereinafter, “Breast Pump”) provided by Pacific Gas and Electric Company in common areas referred to as “Mothers Rooms” do for myself, my spouse, my heirs, legal representatives and assigns, hereby release and forever discharge Pacific Gas and Electric Company, its parents, subsidiaries, affiliates, officers, directors, stockholders, heirs, employees, executors, administrators, or legal representatives, or other successors in interest and each of them (hereinafter “Releasees”), from any and every claim, demand, action or right of action, of whatever kind or nature, either in law or equity, arising from or by reason of usage of the Breast Pump. Releasor waives the right to bring suit for and hereby assumes all risks of any bodily injuries, death, or property damage that may occur during or as a result of Releasor’s usage of the Breast Pump, whether caused by negligence of Releasees or otherwise.

Releasor further releases Releasees and any professional person of any claim whatsoever on account of first aid, treatment or services rendered to her in connection with her use of the Breast Pump.

Releasor further warrants and states that:

1. Releasor is aware and acknowledges that usage of the Breast Pump is completely voluntary.
2. Releasor has consulted with her physician or healthcare professional before using the Breast Pump, including discussion of any pre-existing medical conditions that may affect whether or not Releasor should use the Breast Pump, and has been provided with medical clearance to use the Breast Pump. Releasor has not relied upon any statements from or information provided by Releasees in deciding whether or not to use the Breast Pump.
3. Releasor has read and understands the [“Ameda Elite Breast Pump Instructions”](#) and/or [“Medela Symphony Instructions for Use”](#) located in the Mothers’ Room for the Breast Pump prior to using the Breast Pump. Releasor understands how to turn the Breast Pump on and off and how to safely operate the Breast Pump.
4. If Releasor has any concerns about her own health or the health of her child, Releasor will consult with her physician or other healthcare provider regarding those concerns.

5. Releasor will visually inspect the Breast Pump for any obvious signs of malfunction or unsanitary conditions prior to each use of the Breast Pump. If Releasor observes any suspected signs of malfunction or unsanitary conditions, she will refrain from using the Breast Pump and immediately notify Wellness@pge.com.

6. Releasor is responsible for providing her own pump attachment parts. Releasor is solely responsible for maintaining the working condition and sanitation of such parts.

7. If Releasor sustains any injury as a result of using the Breast Pump, and if the injury is severe and warrants immediate medical attention, Releasor will call 911 or the emergency number for that location.

8. After each use, the Releasor will use the provided anti-microbial wipes to clean the Breast Pump, and the area around the Breast Pump, as needed.

9. Releasor will immediately stop use of the Breast Pump if she experiences pain, dizziness, fever, inflammation, or any other symptoms that cannot be explained.

10. Releasor is responsible for the proper storage of her expressed milk. If Releasor uses the company provided refrigerator for storing her milk, it is recommended she label it with her name and the date the milk was expressed.

11. Releasor has read this document, understands its contents, and understands that this is a waiver and release of liability. Releasor voluntarily agrees to this waiver and release of liability. Releasor further understands this waiver and release expressly waives all rights under Section 1542 of the California Civil Code, which reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTOR.
