* Eligible Expenses are: (1) expenses for Covered Health Services that are covered by the plan; (2) those that Anthem Blue Cross considers "medically necessary" for the diagnosis or treatment of an illness or injury; and (3) those that do not exceed the "reasonable and customary" rate as determined by Anthem Blue Cross. Any costs not meeting this definition are the responsibility of the member. Call Anthem Blue Cross Member Services for more information.

2011 Medical Plan Comparison Chart for Management and Administrative & Technical Employees

The information in this chart is intended as a high-level summary of prescription drug benefits.

Network Access Plan (NAP), Comprehensive Access Plan (CAP), Basic Plan and HSA Medical Plan

Medco Health administers prescription drug benefits for the NAP, CAP, Basic Plan and HSA Medical Plan:

- For all Anthem-administered plans except the HSA Medical Plan, your prescription drug annual out-of-pocket maximums are separate from your medical plan out-of-pocket maximums.
- Some drugs may require special authorization from Medco Health to ensure that they are medically necessary and used appropriately, as determined by the FDA and manufacturer.
- Manufacturer rebates are earned when participants purchase certain prescription drugs. The value of these rebates is based on the contract that Pacific Gas and Electric Company, as plan sponsor, has with Medco Health. These rebates are received from Medco Health approximately six months after the end of the contract quarter in which the drug was purchased and are deposited back to the trust holding the plan's assets. The cost of the plan is reduced by the value of the rebates, which in turn reduces participants' contributions.

For specific information about Medco Health prescription drug coverage, call Medco Health's Member Services department directly or visit its website at www.medcohealth.com.

Health Maintenance Organizations (HMOs)

The HMOs provide retail and mail-order prescription drug coverage for their members, not Medco Health. For specific information about your HMO drug coverage, contact your HMO directly (contact information is listed in the *Benefits Enrollment Guide*).

This chart provides an overview of mental health, alcohol, and drug care (MH&AD) benefits. If you're enrolled in the NAP, CAP or Basic Plan, your MH&AD benefits are administered by ValueOptions. If you're enrolled in the HSA Medical Plan, your MH&AD benefits are administered by Anthem Blue Cross.
