

2012 Medical Plan Comparison Chart for Management and Administrative & Technical Employees

This chart provides an overview of medical plan benefits. For benefits administered by Anthem Blue Cross, Kaiser Permanente, ValueOptions or Medco, the information contained in applicable service provider agreements between PG&E and Anthem Blue Cross, Kaiser Permanente, ValueOptions or Medco shall govern in case of conflict between this chart and the service provider agreement. For the Blue Shield and Health Net HMO plans, the information about the HMOs contained in an applicable Evidence of Coverage (EOC) or service provider agreement between PG&E and the HMO or service provider shall govern in case of conflict between this chart and the EOC or service provider agreement.

* Eligible Expenses are: (1) expenses for Covered Health Services that are covered by the plan; (2) those that Anthem Blue Cross considers "medically necessary" for the diagnosis or treatment of an illness or injury; and (3) those that do not exceed the "reasonable and customary" rate as determined by Anthem Blue Cross. Any costs not meeting this definition are the responsibility of the member. Call Anthem Blue Cross Member Services for more information.

2012 Medical Plan Comparison Chart for Management and Administrative & Technical Employees

The information in this chart is intended as a high-level summary of prescription drug benefits.

Network Access Plan (NAP), Comprehensive Access Plan (CAP), Basic Plan and HSA Medical Plan

Medco Health administers prescription drug benefits for the NAP, CAP, Basic Plan and HSA Medical Plan:

- For all Anthem-administered plans except the HSA Medical Plan, your prescription drug annual out-of-pocket maximums are separate from your medical plan out-of-pocket maximums.
- Some drugs may require special authorization from Medco Health to ensure that they are medically necessary and used appropriately, as determined by the FDA and manufacturer.

- Manufacturer rebates are earned when participants purchase certain prescription drugs. The value of these rebates is based on the contract that Pacific Gas and Electric Company, as plan sponsor, has with Medco Health. These rebates are received from Medco Health approximately six months after the end of the contract quarter in which the drug was purchased and are deposited back to the trust holding the plan's assets. The cost of the plan is reduced by the value of the rebates, which in turn reduces participants' contributions.

For specific information about Medco Health prescription drug coverage, call Medco Health's Member Services department directly or visit its website at www.medcohealth.com.

Blue Shield, Health Net and Kaiser Permanente

These plans provide retail and mail-order prescription drug coverage for their members, not Medco Health. For specific information about your plan's drug coverage, contact your plan directly.

*Generic Incentive Provision: If you purchase a brand-name drug when a generic is available, you'll be responsible for paying the price difference plus any required coinsurance. Note: Any generic/brand price differential you pay is a non-covered expense and therefore does not count toward your annual deductible (if applicable) or out-of-pocket maximum. Drugs listed on Medco Health's "Narrow Therapeutic List" will be excluded from this mandatory generic provision.

This chart provides an overview of mental health and substance abuse (MHSA) benefits. If you're enrolled in the NAP, CAP or Basic Plan, your MHSA benefits are administered by ValueOptions. If you're enrolled in the HSA Medical Plan, your MHSA benefits are administered by Anthem Blue Cross. If you're enrolled in Blue Shield, Health Net or Kaiser Permanente, your MHSA benefits are administered by both your plan and by ValueOptions, depending on the type of care you receive.

When care is provided by ValueOptions:

- All inpatient and alternative levels of care must be medically necessary.
- Care that is not medically necessary will not be covered.
