### Comprehensive Access Plan (CAP), Medicare Supplemental Plan (MSP) and Retiree Optional Plan (ROP)

Express Scripts administers prescription drug benefits for the CAP, MSP and ROP.  
 • Your MSP and ROP deductibles, your CAP and ROP annual out-of-pocket maximums, and your MSP lifetime maximum are separate from those found in your medical plan.  
 • Some drugs may require special authorization from Express Scripts. If you have questions, contact Express Scripts by calling the member services number listed on your Express Scripts ID card or visit [express-scripts.com/pgeretiree](https://www.express-scripts.com/pgeretiree).

### Health Net Medicare COB HMO

SilverScript administers prescription drug benefits for the Health Net Medicare COB HMO. If you have questions about your prescription drug benefits, call the member services number listed on your SilverScript ID card.

### Health Maintenance Organizations (HMOs)

The HMOs provide retail and mail-order prescription drug coverage for their members, not Express Scripts. For specific information about HMO drug coverage, contact the HMO directly.
